

HARRINGTON OPERA HOUSE SOCIETY

Minutes

December 7, 2009

Gordon Herron called the meeting to order at 7:05. Those present were Linda, Gale, Cassandra, Gordon, Billie, Bunny, Edwin, Carol, Karen, Sharyn, Bob, and Sheryl. The minutes from November's meeting were read and the treasurer's report was given. The spelling of Gale's name was corrected and the reports were accepted with a unanimous yes vote.

Building Project: The elevator project is on hold until we have an engineering and architectural design which involves quite a price tag. Gordon has measured up the lobby sheet rock by the office. Thanks to Linda and Bunny we have drapery panels for the windows at a reasonable price of \$232 for 14 panels. Since we received \$9000 from the Lincoln County Grant we can go ahead with the auditorium lighting.

Grant Writing: We got \$9000 from the Lincoln County Grant!! The Inland NW foundation grant asked us to reapply. This was the grant we received years ago for \$29000. It is due the middle of Jan.

Events: The Santa and Art room were very successful – bringing in \$375, plus a lot of fun. Thanks Santa!!! The school concert was well attended and also made \$180 for the band.

The next meeting of the Opera House will be the annual meeting January 11, 2010 at 7PM in the Harrington city library. Refreshments will be served and new members are encouraged to come.

Respectfully Submitted,

Sheryl Stedman, Secretary
