

Harrington Opera House Society

Harrington Opera House Society
Minutes
March 3, 2008

Gordon called the meeting to order. Present were Billie, Gordon, Bunny, Becky, Tom, Sheryl, Sharyn, Karen, Linda, and Edwin. Minutes from Feb. meeting and the treasurers report were given. Linda moved to accept reports as given, Edwin seconded and a unanimous yes vote was given.

After some discussion about the CD at US bank, Sheryl moved to deposit the mature CD into checking. Billie seconded the motion and a unanimous yes vote was taken.

The building project is back in full swing!! Carol and Gordon are making the spindles for the staircase. Brian Blair of Gropp Electric is starting on the electrical by the end of this week. The plumbing in bathrooms has started. Still no response from any contractor on the heating – may have to do ourselves. Volunteers are needed for all of these projects.

Billie is continuing to write grants. She responded to the Inland Northwest grant why we are not finished with staircase by the end of Feb. They have not replied back yet. Pam Kelly will help with the WA State Heritage Projects Fund grant. We discussed what the next project would be – probably the auditorium. The Heritage grant will accept inkind 3years back, they even count previous grants. We will need documentation as to what projects are going to cost.

The community yard sale is Apr 26. Edwin will go Sat evening and collect a few items from the Christian Heritage sale.

The EDC dinner event is March 27. Karen moved that the committee take care of the details for the dinner; Linda seconded.

Stan Timperley concert is tentatively set for the 1st or 2nd week of June.

The next meeting is April 7,08 ,7PM at the Harrington City Library.

Respectfully submitted,

Sheryl Stedman, Secretary
